**Subject:** RE: Carthan case--Request for Extension to Answer

Due to vacation schedules of company employees, the LAN defendants would like to request a further extension of time to answer in the Carthan case until Friday, September 21, 2018. If this is acceptable to Plaintiffs, I will prepare and circulate a proposed stip.

Thanks,

Phil

Phil. August 29 for your answer is ok. I approached Phil Grasshoff on Monday suggesting that all parties confer re a post opinion schedule and I was hoping that we could do it all in one package. Given everything's vacation schedules this month getting an overall agreement may not be possible. Be well

Mike and Paul,

I sent this request for extension to Ted and Emmy yesterday, but received no response.

We are requesting a two-week extension of time to answer in the Carthan case.

Thanks,

Phil

Ted and Emmy,

As you know, I am co-counsel with Wayne Mason for the LAN Defendants in the Flint litigation.

I am on a working vacation this week in the Upper Peninsula of Michigan, but was informed today that our answer is *Carthan* is due 14 days from the Judge's opinion and order or by August 15, 2018.

I had been laboring under the impression that we had 30 days from the decision or until the end of the month.

Could we please have an additional 2 weeks or until August 29 in which to make our filing? My wife and I have guests arriving on Friday for the weekend and would have to cancel these plans without an extension.

Please let me know your thoughts as soon as you can.

Thanks,

Phil
